

COVID -19

Precautions in our store

Stay home if you have a cold or flu. Ask family or neighbors to do your shopping.

Only touch the product that you need

Please follow the directional arrows on the ground and signage around the yard.

Keep 2m away from our store staff and other customers.

Please keep children at arms reach and prevent touching as much as possible.

Please be respectful of the time you spend. Remember there are other people waiting to shop as well

If possible pay with Debit or Credit

Do your shopping as you always do. Then there is enough for everyone

Come to the store alone as much as possible

Always follow the instructions of our staff

Dýkhof Nurseries & Florist

serving the north shore since 1957

These precautions are intended to keep you and others safe.
This only works if we all work together
